

SQUALICUM HIGH SCHOOL PTSA (Parent, Teacher, Student Association)

Volunteer Form

Welcome to New Families and Welcome Back to Returning Families! At Squalicum HS, PTSA parents work together with staff and students to make SqHS a place where every student can achieve his or her full potential. Parent involvement is essential to student success and our administration and staff count on parent support to help make Squalicum the best high school in Whatcom County! At the bottom of this page is a list of many of the volunteer opportunities that happen throughout the year. We use the program Sign-Up Genius to make it easier for us to communicate volunteer needs and for you to sign up. We do ask that you are a member of PTSA if your volunteer position includes handling money. Otherwise, please help out any way that interests you throughout the year!

Information can be found on the Squalicum HS website:
